Defendant Gregory Akel pled guilty to and was convicted of receipt of child pornography, and, after resentencing, is serving a sentence of 99 months.¹ Akel has moved for yet another resentencing based on an amendment to the Sentencing Guidelines.² Although the government responded to that motion on July 29, 2019, Akel has notified the Court that he never received a copy of that response and that he only discovered its existence when he received a copy of the docket.³ I liberally construe that notice as a motion to extend time for response, find good cause, and grant it.

IT IS THEREFORE ORDERED that **the Clerk of Court is directed to SEND to Akel a copy of the Government's response brief [128]**. Akel has until November 8, 2019, to file a reply brief.

Dated: October 3, 2019

U.S. District Judge Jennifer A. Dorsey
